ALMA MATER

Dreaming of Alma Mater,
Down on the Eastern Shore,
Dreaming of pals and friendships
Mem'ries forever more.
Deep in my heart there's a longing
Just for the sight of you,
I know you're always waiting,
I know you're always true.
Chorus:
Alma Mater! Alma Mater! I love you,
Paradise forever lies 'neath skies of blue
In the sunshine or in shadows ever true
Alma Mater! Alma Mater! I love you.

DEDICATION

We, the Class of 1951, dedicate this book to the faculty and building of Wicomico High School, for making our high school life one of constant pleasure and memorable moments. SENIOR CLASS HISTORY

EIGHTH GRADE

Here at last! After all these years of dreaming of high school, we finally made it.

Upon our arrival we were all very excited and we must admit, just a little confused. Every class and classroom seemed to look the same, and oh, those big and mighty upper classmen. However, despite all these obstacles, we finally settled down to routine.

We began to participate in Wi-Hi's many activities. Glee Club, athletics, and May Day were just a few of them. Then as our year as "Sub-Freshies" drew to a close, we began to look to next year and what it would bring.

FRESHMEN

More confident we returned to our Freshman year, feeling we were truly a part of the school. We resumed studies and a great many new interests were opened before us. Among them were Athletics, Dramatics, and Music.

SOPHOMORES

When we returned as Sophomores, our place in the school and its activities had really become definite. We were very proud of the members of our class who had leading roles in the annual operetta, "H. M. S. Pinafore." The close of this year brought us one step nearer that all important goal and we were upper classmen at last.

JUNIORS

Perhaps one of the biggest events of the year for us was the election of officers. We elected "Buddy" Moore, President; Delmas Walter, Vice President; Harriett Dickinson, Secretary; Tom Cimino, Treasurer; Margaret Bull, Historian.

This year too, for a great many of us, varsity sports held a high place in the activities. Of course the Junior class play was the big annual event and can we ever forget "Seventeenth Summer" directed by Mr. Frank Mitchell. The play was a huge success and presented to a capacity crowd.

Our first class dance rolled around in November, and everyone had a thoroughly enjoyable time in preparing for it and reaping the fruit of our labors.

Not to be forgotten as the big spring event was the Junior-Senior Banquet, which was our lot to draw this year and we realized how much responsibility had been dropped into our laps and later how well worthwhile it was. Then to complete a busy and eventful year came May Day.

SENIORS

At long last we reached our goal, that of becoming seniors and all too soon we will have in our hands the diploma, which will mean that our wonderful career at Wi-Hi has come to an end. But with us we will take many fond memories of a wonderful five years.

We will remember the exciting class elections which started our year off with a bang. This was an exciting and close race and the results were: President, Bill Jones; Vice President, Wallace Bounds; Secretary, Kathleen Stevenson; Treasurer, Harriett Dickinson; Historian, Margaret Bull.

In our senior year Carl Rathgeber was elected Editor-in-Chief of the Wi-Hi News and Joan Creyghton, Associate Editor. We will long remember and treasure the issues of our school paper.

Elections were held for the Tom-Tom staff and Becky Hopkins became Editor-in-Chief; Bill Schoonover, Associate Editor; Kathleen Stevenson, Business Manager; and Delmas Walter, Advertising Manager. The staff planned to institute a number of new features in the yearbook. A padded cover and several extra pages were among them.

In the Student Council Charles Phipps presided, and Irene Sullivan was elected First Vice President, in charge of the Monitor System. We, as seniors, served as monitors both in the halls and in the cafeteria.

Soon after Christmas we chose our class colors, flower, and motto. (See page 33)

Thoughts for the class play, "The Man Who Came to Dinner," the all important prom, traditional and beautiful May Day, the banquet, which the juniors would give for us, and finally, the culmination of all our hopes and dreams, graduation, were often in our minds.

Also we began to realize that with the end of this year, we would know some of the tremendous and far-reaching influence our teachers and fellow students had made upon us.

Margaret Bull
Historian

PROPHECY

The town of Salisbury has been taken over by the class of '51
And now we shall see what has been done.
On the left is a nice, new drug store
With *Tom Hayman's* name painted on the door.
Who is this we see coming down the street,
But *Bill Tribeck* walking his beat.
Upon stopping and talking with beat-walking Bob,
We find *Stew Dana* at last got a job.
Virginia Esham to Spain did flee;
When the Senor asked her, she said "Si, Si."
As we turn the corner from a distance appears
A softball game with *Betty Jackson* leading the cheers.
And who is this having all the fun?
Why, *Pat Gardner* who just hit a home run.
Elizabeth Hastings is up in the stands
Jumping around and clapping her hands.
Ronnie Jones is sure in a dream,
Here he is coaching the girls' softball team.
Continuing through the streets of our town,
We find *Bill Jones* is still running around.
Robert Gladden is now doing fine;
He makes his living tasting wine.
Bill Schoonover is no match
For the other nuts in the "Booby hatch."
Down the street wedding bells now are ringing,
We find *Priscilla Wells* is doing the singing.
It was mighty interesting to visit the school
Where we found *Jack White* is still nobody's fool.
Barbara Lou Jones our classic miss
Is teaching kids their spelling list.
The clock in the hall is striking ten,
What's this! *Tom Parker* late again.
Who could this be tip-toeing by
But "*Mousey*" *Walls* head of Wi-Hi.
Moving onward to view the town,
We'll pause at the hospital to see who's around.
We drive through the gate and enter the door.

You'll never hear *Margaret Ann Bull* complain
It's always the patient who has the pain.
Barbara Bogage and *Leona Davis* look sad,
They just wheeled some"body" into their lab.
Enough of this – let's go on downtown
And see who else may there be found.
On the right we notice a lawyer's sign;
I hear *Delmas Walter* is doing fine.
Talking to an old classmate we see

HISTORY OF THE WICOMICO HIGH SCHOOL BAND

In 1937 the Salisbury Municipal Band was started and supported by different civic organizations, who donated funds toward instruments. In 1939 it was taken over by the Board of Education and became a part of Wicomico High School known as the Wicomico High School Boys' Band. As many girls became interested in the Band, the name was changed to the Wicomico High School Band. The main event for the Band was the annual concert.

A group of Band Parents were organized in the school to raise funds and to pay for the director. In September 1943, the Board of Education recognized the director as a member of the faculty of Wicomico High School and took the responsibility of paying him. The Band was then under the direction of Mr. H. B. Marston.

In 1946, Mr. Michel Ronca took over the direction of the Band; and started a Junior Band. The Senior Band began participating in more of the school affairs.

In 1947, Mr. Andrew Jupina replaced Mr. Ronca as director of the Band. Both Bands continued and increased in number. The Senior Band participates in school activities and other civic affairs such as assemblies, football games, pep rallies, parades, May Day, entertainment at other schools, and the summer concerts in Municipal Park. The main highlight of the year is still the annual concert.

Since its beginning, the Band has brought honor to the school. In 1939 the Band won a plaque, Division I, Class A, at the Maryland State Festival held in Baltimore; and again brought home the same prize the next year. In 1950 the Band placed in the Annual School Safety Patrol Parade in Washington, D.C., winning 2nd place in the National Contest and 1st place in the State Contest.

"And another Indian bites the dust."

FOOTBALL

With the sounding of the gun which ended the annual Thanksgiving football game, the 1950 grid season was finished leaving the Wi-Hi Indians with an unimpressive record of 3-3-1.

A 6-0 win over Seaford opened the season rather successfully. Under the keen guidance of Coach Berry and Mr. Blizzard, the team and the school looked forward to a great year. Wi-Hi was rocked a bit by Laurel High to the tune of 40-0, but a good year was still ahead.

When Milford held the Indians to a 6-6 stalemate it looked as though Wi-Hi was in for a rough season. The team got back on the right track by crushing Northampton of Virginia, 75-0. This score set a school record for points scored against one team.

When the tribe was beaten 61-7 by Westminster, another record was posted for the most points scored against us in one game.

Cambridge, our traditional rival, was determined to beat Wi-Hi for the first time in the two schools' histories. Wicomico dampened Cambridge's bid tor victory, however, by beating them 18 to 0. After a hard fought contest, Annapolis became the victor over Wi-Hi by a 6-0 score in the annual Thanksgiving game.

Coach Berry and Coach Blizzard should be highly commended for their time and effort spent in promoting sportsmanship and developing a better team for Wi-Hi.

SOCCER

After all the gear had been stowed away, and a final look was taken back over the season, it could be seen that the 1950 soccer campaign had not been entirely unsuccessful. The season log of 3 wins and 2 losses does not tell the entire story. This year's squad was made up mostly of young, inexperienced ball players, but they did show enough promise to make prospects look especially good for '51.

In two of their 3 victories they held the opponents scoreless, a feat which is quite difficult. Their losses came at the hands of two well-balanced clubs, Mardela and Pittsville.

Next year, Coach Jim Mills hopes for a good year, and with most of this year's team returning, it may mean a crack at the state championship.

The Wi-Hi Girls' Fieldball team has proved themselves to be the best in the county, having won the County Championship for 1950. The girls have worked hard for this award for many years and now they have succeeded, under the capable guidance of Coach Mary Morling Troy. With a six-game schedule to play, the girls came up with 6 wins and no losses. The high point of the season was the victory over Mardela.

The veterans from previous years were Margaret Ann Bull, Barbara Lou Jones, Pat Gardner, Ida Bounds, Jane McAllister, Carolyn Smith, Jane Konieczny, Betsy Bowen, and Cindy Stewart.

Intramural sports are enjoyed by many girls that do not play on varsity teams. These include field hockey, basketball, and softball.

GIRLS' BASKETBALL

Under the able leadership of Coach Mary Morling Troy, the girls' basketball team completed a successful season with 8 wins, 6 losses, and 1 tie. The Wi-Hi lassies started off with a bang by walloping Millsboro 65-15. Another high point of the season was the defeat over Selbyville, 50-23.

We will be losing most of the squad for next year, but many of the J.V.'s will step into their shoes.

The team was supported by students and parents as well. The fans were most generous in their praise and the whole team appreciated their support.

BOYS' BASKETBALL

The 1950-51 Wi-Hi cage team started another season with extremely high hopes. This year they had decided that they would go to the state championship and win it.

First they had to brush aside twenty opponents to see just whether they were real champions or not. They realized the difficulty of this task for the entire first team of last year's squad was lost due to graduation. Coach Seidel had to whip together a ball club of inexperienced boys, but things looked on the up-and-up.

They went through the first three games unscathed, but dropped the next two, one to a very good Southern High team and the other by an upset against Mardela. The Indians then got back on the winning ways by beating three more foes, but suffered their third setback at the hands of Easton.

Then the boys began to look like a team and went on a rampage with an eight-game winning streak. The early season rough spots were smoothed out and the defeats proved to be helpful. The Tribe finished out the rest of the regular season with only one more loss at the hands of our traditional rival, Cambridge, to give a season total of 15 wins and 4 losses. In all fairness to the team, but not providing any alibis, the team was plagued with injuries and illness most of which came up for the games they lost. The Southern and Cambridge defeats came when key men were missing from the Tribe's attack.

After the regular season came the play-offs which started with the Bel Air game. Wi-Hi disposed of them rather handily by a score of 41-29. This gave Wi-Hi an opportunity to go to the state championship where they met a good Hagerstown team. Everyone had high hopes for the Indians this year, but for the second straight time they lost by a single point.

Although they lost the big game, the team was quite successful, winning 16 and losing 5. A great amount of credit is due to Coach Seidel, who put together a group of young, inexperienced lads to form a basketball quintet which was a credit to Wicomico High. Next year he has four first-stringers back and once again they will be gunning for the State Class A Championship.

VOLLEYBALL

For the second time this year, a championship award has been won by the girls' varsity teams. The volleyball team was tied with Mardela for the championship, but they conceded the award to us. This has been well worth the time and effort that has been put into practice to have the honor of winning the County Championship.

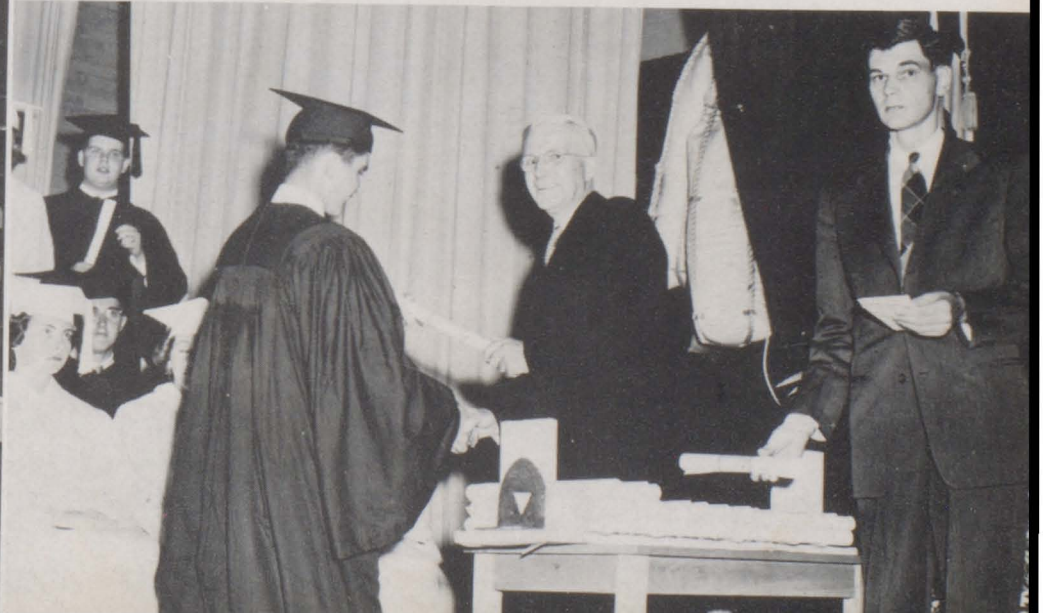
OUR SHINING HOUR



CONCLUSION

The making of a yearbook requires more than the efforts and abilities of students. It requires the help of many to whom credit is due. To Mr. Morris Jones, Advisor, for his constant and willing work, to Mr. Howard and the Camera Club for the many fine pictures, to the students and teachers who helped in any way, and particularly to our Advertisers who made possible this edition of the Tom-Tom – many thanks from the staff.
